

Explore Australia with our partner Virgin Australia

Dear Trade Partner,

You can now book Virgin Australia's Plus Pass in conjunction with your Etihad Airways international journey. If your guests are travelling to Australia with Etihad Airways, the Virgin Australia's Plus Pass is the most convenient way for you to book all their internal/Trans-Tasmanian flights in one easy step.

With Virgin Australia's Plus Pass it's easy to enjoy more of Australia while enjoying the flexibility of being able to change dates or routes at any time.

How does it work?

- Book an Etihad Airways flight to Australia through the GDS.
- Select a minimum of 2 internal flights with our partner Virgin Australia*.
- The GDS will then automatically pick up the Plus Pass and calculate the price into a single booking, making it easier to keep track of your plans.
- Use passenger type code VAC in fare quote entry
- Refer to below examples.

□ Fare basis of Pass fare ends with -PASSEY for Australia Domestic and -PPEY for Trans-Tasmanian & International Short Haul sectors
